DONALDA HANSEN Centre for Equine Therapy

*Offering equine assisted therapy, general horse riding,
horse riding lessons, and facility rentals.*

The Donalda Hansen Centre for Equine Therapy is home to the Ranch Ehrlo Equine Assisted Therapy Program as well as a riding arena for public use.

The Ranch Ehrlo Society is the only residential treatment centre in Canada to offer equine assisted therapy (E.A.T) as well as a horse-riding arena open to the public.

About Ranch Ehrlo Society

Ranch Ehrlo Society is a non-profit, charitable organization dedicated to providing a range of quality assessment, treatment, education, community, and support services that improve the lives of children, youth, and families referred to our program.

We are the largest residential treatment program in Saskatchewan, serving over 250 youth and employing over 600 employees across the province.

The Ranch Ehrlo Society has residential, clinical, and educational programs at the Pilot Butte campus, in the City of Regina, in the City of Prince Albert, at its Buckland campus outside of Prince Albert, and at its Corman Park campus outside the City of Saskatoon.

Ranch Ehrlo Equine Assisted Therapy Program (E.A.T)

The Ranch Ehrlo Equine Assisted Therapy Program (E.A.T) is designed to provide unique learning opportunities for all youth residing at Ranch Ehrlo as part of their treatment program.

Participants in the program engage in fun and exciting activities involving horses, and in the process, find themselves learning valuable life-enhancing skills. Youth are introduced to general horse care, safety, and proper riding techniques.

There are numerous advantages to the program and some of the benefits include:

- improving communication;
- developing healthy relationships based on mutual trust and respect;
- learning problem-solving skills;
- building confidence and self-esteem;
- developing integrity and personal work ethics;
- understanding and applying appropriate assertiveness and accepting responsibility;

- learning to work through challenges and obstacles in a positive manner;
- understanding the “easy way” is not always the “right” or “best” way.

Donalda Hansen Centre for Equine Therapy

Located at our Buckland campus, Donalda Hansen Centre for Equine Therapy offers horse riding, riding lessons, horse training, and equine assisted learning lessons. The public may also rent the arena. Groups hosting events such as horse and rider training, horse competitions, dog shows, and archery would find this facility very accommodating.

The mezzanine area can accommodate meetings of up to 50 people sitting at round tables, and it has a conference room for smaller gatherings. There is also a kitchen capable of providing banquet style meals, or providing canteen services for events.

The back of this brochure lists pricing, hours, and contact information for bookings and rentals.
