About Ranch Ehrlo Society

Ranch Ehrlo Society is a charitable organization dedicated to providing a range of quality assessment, treatment, education, support, and community services that improve the lives of children, youth, and their families.

Youth are referred to our residential programs by the Saskatchewan Ministry of Social Services, First Nations Child & Family agencies, as well as out-of-province referrals. Clients are referred to our community-based programs through a variety of channels including advertising and promotion, professional referrals, and word-of-mouth.

Who we serve

We have programs and services designed for clients in three areas: residential, community, and family programs. This report does not include clients in our community programs such as Ehrlo Sport Venture, Ehrlo Counselling and Ehrlo Housing.
