December-March

The Ehrlo Outdoor
Hockey League (OHL)

began in 1993 as a
project to outfit 10
young people in

hockey gear. Since then,
the OHL has dressed

over 350 youth per year at seven rinks
throughout Regina.

Outdoor Hockey League

There are two age divisions in the OHL: Atom (12 and under) and Bantam (13-18). The season generally includes weekly play and one or two tournaments. Each year in November youth begin receiving the equipment necessary to play for the season. The borrowed equipment is due back to the league at the end of the season.
