

Buckland Campus

Quick facts

Campus includes:

- Three residential units
- Ellen Gunn Education Centre
- Outdoor hockey rink, basketball courts, soccer field, riding and walking trails
- Donalda Hansen Centre for Equine Assisted Therapy Arena
- Administrative office

Accommodation

- 30 beds available in three residential homes (Alex Guy House, Klassen House and Matheson House)
- Each residential home has 10 private, individual bedrooms
- Each home receives high quality maintenance from on-site staff

Program services

- Specialized education on site and in mainstream Prince Albert schools
- Youth assessments and individual counseling
- Daily programs provide residential, educational, recreational and clinical services for our youth

The Buckland Centre opened for business on July 1, 1997. The campus is located approximately 20 minutes northwest of Prince Albert and covers 40 acres.
