

EHRLO SPORT VENTURE

Give the gift of play, *sponsor a sports league today*

Ehrlo Sport Venture is a community outreach program that provides inner-city youth and families with access to recreation programs by financial reducing barriers to participation in sport and physical activity. Sport Venture's free community leagues and equipment lending library provide recreational opportunities to children and youth throughout Regina.

Sports equipment is expensive and operating sports leagues does come with costs such as jerseys, transportation, field/rink rentals, trophies, and more.

We need your help to give the gift of sport to children.
